

Grand Awards Policy

Individual and team projects will compete against each other in one of the 12 categories for the following awards. Cash awards are given per project (team winners will split the award) and all non-cash awards are given per student (each team member will receive a medal, certificate, plaque or ribbon). A category judging team may decide not to award all 3 places or any honorable mentions in a category, but they may not skip over any award places (i.e.: if they want to give a 2nd place award, they must also award a 1st place; if they want to award any honorable mentions, they must award a 3rd place, etc.)
