

# Materials

## Materials

List **all** materials used in your investigation. The materials are written in an unnumbered, list form. Include the amounts of each item and brand names when appropriate. **Be sure to use only metric units** (meters, grams, liters). *Inches, feet, pounds, cups, etc. are not acceptable.*

**Create the chart below in your journal to organize your own material list.**

How much	Material

*Your final material list is NOT in chart form. The chart is only used to help organize and plan.*

### **Example - Materials List:**

- 1- Solar Panel (Solar World 6-Volt)
- 1- Floodlight (Farm Utility Light 25.4 cm Aluminum Reflector)
- 1- Digital multi-meter (Craftsman)
- 1- Heat lamp bulb (General Electric 250 watts)
- 1- Meter stick
- 1- Solar panel angle mount

## **Science Fair Rubric Checklist – Materials**
