Awards Ceremony Instructions
Announcers

- CSEF will be collecting pronunciation of student's names as part of the on-line registration process, but you are encouraged to identify those that you might want help with and talk with the student during the judging period on Thursday.

- You are encouraged to view the Script Book any time after 1 p.m. to make notes on your sections.

- For the Special Awards, there will be a cover sheet for each one that will include the award name, the name of the sponsor, the presenter’s name, an alphabetical list of the students needing to approach the stage and a short description about the sponsor to read as the students are getting to the stage.

- For the Grand Awards, there will be a cover sheet that has an alphabetical list of students who need to approach the stage – you’ll need to wait until all students are assembled before moving on to read who won what.

- You don’t have to read a person’s project title and school information more than once if you don’t want to.

- After the Best of CSEF Awards are given at the end, the CSEF Director will invite all of the students who will be attending ISEF to the stage for a group recognition and photo.
Awards Ceremony Instructions
Helpers and Ushers

- Ushers will be needed for the following jobs prior to the ceremony starting:
  - Handing out programs and photo order forms outside the auditorium doors.
  - Directing Finalists, presenters and general audience members to the appropriate seating sections.

- Helpers will be needed for the following jobs between 4:30 and 5:30 p.m.:
  - Marking off seating areas for Finalists, presenters and general audience members.
  - Decorating the stage (if needed).
  - Organizing the awards on stage.

- Helpers will be needed for the following jobs during the ceremony:
  - Helping people on and off stage.
  - Directing winners and presenters to the photography area.
  - Directing presenter and winner traffic on stage as awards are being accepted.
  - Running the power point presentations.
  - Handling the awards on stage.
  - Handing the awards to presenters.
Award Ceremony Instructions
Photography

- Awards Ceremony photographs will be taken off-stage in a designated area.

- There will be a list of awards and the winners available to track the photos taken. The list will include the names of the Finalist(s) who should be in the pictures (for counting purposes).

- If a student or adult is just accepting an award for a Finalist, please do not include them in the photo as this just makes things confusing when identifying photos.

- Instructions will be given to Finalists and Presenters at the beginning of the Awards Ceremony, but someone will need to be designated to guide them as needed.
Award Ceremony Instructions
Set-Up

- On Thursday evening, the CSEF Director will enter the winning project numbers by award number into the database, verify and double check with another person to the accuracy and prepare the Press Release for early morning printing.
- An electronic copy of the Press Release will need to be sent to FastPrint for printing. This needs to be delivered to the LSC Room 322 by 2 p.m.
- An electronic copy of the Press Release will need to be sent to the media list.
- Best CSEF Project Award winner’s names for Junior and Senior Divisions will need to be emailed to All Sport Trophy for engraving. The plaques will need to be ready for pick up at 3:30 p.m.
- Print checks from the Quicken file.
- Print the Script Book – arrange according to the Awards Ceremony order.
- Print the Grand Award certificates and attach the ribbons/medals and checks to them. The ordering of these awards will be Honorable Mentions (on top), 4th Place, 3rd Place, 2nd Place and then 1st Place (on bottom). Use the Script Book to make sure the Honorable Mentions are in the order that they will be read.
- Complete or print Special Awards certificates as needed.
- Complete the SSP award certificates as needed.
- Organize the Special Awards according to the order listed in the Script Book and box up for transportation to the Awards Ceremony site.
- Pack awards for transfer to ceremony location.
- Organize the Grand Awards judging comment cards for distribution late Friday afternoon.
CSEF Headquarters Monitoring Instructions

- Once Finalist Check-In is complete on Thursday, be sure to:
  - put CSEF Programs, maps to the Awards Ceremony site, and other informational fliers out on the counters of the Registration Booth.
  - assign numbers to the Poster Art Contest entries and hang them on the message board outside the Registration Booth.
  - change the signs outside the Registration Booth and Exhibit Hall as needed.

- After the initial Tour Ticket Sales period on Thursday, you will be in charge of last minute tour ticket sales. DO NOT sell more tickets than there are spots available on the sign-up sheets and/or printed tickets.

- Check-in Volunteers – please see the volunteer check-in instructions for further details.

- A list of FAQ’s and the answers to them will be available for your reference. You don’t need to be the information desk for the entire student center. If the question is not CSEF related, feel free to direct the questioner to the Lory Student Center Information Desk on the first floor. Please add to the FAQ list as needed.

- If someone needs to talk with the CSEF Director, first look in Room 322 and if she isn’t there, you can call 970-222-4418.

- On Friday, by 2 p.m., a tally of the Poster Art Contest and Student Choice ballots needs to be made and given to the CSEF Director.

- On Saturday, put out the Door Prize Ticket container for ticket submission by the Finalists prior to 11:30 a.m.

- Organization of the Registration Booth and the items from previous day(s) is greatly appreciated.

- The last shift of each day will be required to close the windows of the Registration Booth, collect signs and sign stands and make sure all doors to the Registration Booth are shut and locked.
Display & Safety Inspection Instructions

- Review the Display & Safety regulations and Set-Up Approval Form prior to CSEF and make notes of areas to ask for clarification.

- Regulations will be taped to the clip boards for easy reference during Display & Safety checks.

- The following will be the procedure Finalists will follow during set-up, Display & Safety approval and photography:

1. Finalist picks up his/her packet from Registration.
2. Finalist sets up his/her project at the assigned spot.
3. Once the project is completely set up, the Finalist will turn in the Set-Up Approval Form to the Display & Safety table.
4. Display & Safety Inspectors will pick up the Set-Up Approval Forms from the Display & Safety table as they are available and go to the indicated projects to review them.
5. A Display & Safety Inspectors will review the project and make an initial determination of compliance:
   a. If the project passes review, mark the Set-Up Ready Form as such and sign it, put a colored dot on the hang tag in the Display & Safety box, and give the Finalist(s) a signed Photo Ready Card.
   b. If the project does not pass review, indicate what needs to be fixed on the Set-Up Ready Form and have the Finalist(s) fix the problem(s). If something needs to be fixed, do not sign the Set-Up Ready Form or give the Finalist(s) a Photo Ready Card until you have rechecked the project and the problem(s) have been taken care of.
6. Once the project has been cleared by the Display & Safety inspectors and the Finalist(s) have obtained a Photo Ready Card, the Finalist will turn that in to the Photography table.
7. Photographers will pick up the Photo Ready Cards as they are available and take the Official Photos.

- If you have any concerns about a project and are not sure how to assess it, you may ask Doug Steward (Junior Division) or Penny Propst (Senior Division) for assistance.

- Finalists not having a Set-Up Ready Form need to see the Scientific Review Committee prior to being inspected by Display & Safety – these Finalist’s packets have been marked, but just in case some get through, you will know where to send them – Room 308/310 with their Intel ISEF forms.
CSEF Set-up Approval Form
Scientific Review Committee/Display & Safety Committee

Finalist’s Name: «Print_Name»
Project Number: «Project_Number»

«Team_Member_1»
«Team_Member_2»

«DS_Clear», this project has/has not been initially approved by the Scientific Review Committee.
If NO, the Scientific Review Committee must clear this project prior to allowing set-up:________________________

I. Set up the project.

II. Turn this form in to the Display & Safety table for assignment to a D & S Reviewer.

III. Have the project inspected by a D & S Reviewer.

   Approved  Not Approved  N/A
   
   a.  ☐  a.  ☐  a. Project Size (30 in. deep x 48 in. wide x 108 in. floor to top of project).
   b.  ☐  b.  ☐  b. All required CSEF and ISEF forms are in the research notebook.
   c.  ☐  c.  ☐  c. Project does not have any prohibited items.
       (see Items Not Allowed list)
   d.  ☐  d.  ☐  d. Project has items allowed, but with restrictions.
       (see Items Allowed with Restrictions list) Please list below:
   e.  ☐  e.  ☐  e.  ☐  e. Project adheres to ALL rules regarding photographs
       (see Photography Rules list).

IV. Initial Display & Safety Approval

   _____ No violation was found.
   _____ A violation was found during inspection, but was corrected immediately. Describe briefly:

   ______________________________________________________________
   ______________________________________________________________
   ______________________________________________________________

   _____ Project is NOT approved at this time. Major corrections need to be made and project re-inspected:

   ______________________________________________________________
   ______________________________________________________________

   Inspector Granting Approval: __________________________ Signature: ___________________

V. After approval, affix hang tag with D & S sticker and present student with a Photo Ready Card.

VI. Turn Photo Ready Card in at the Photography Table.

VII. Have an Official Photo taken and a Photo sticker placed on the hang tag.

Important Notes:

• Once a project has been approved, this signed form must be turned in to the Display & Safety table.
• All projects are subject to continued review by both the Scientific Review Committee and Display & Safety Committee.
• Items found at a project display after initial approval that are not allowed, will be taken to the registration booth for students to claim at a later time. These items must NOT be returned to the project display or the items will be confiscated indefinitely.
• Once the Official Photo has been taken and a display has been approved, the student is free to go to lunch.
• The student’s research notebook, including all ISEF paperwork, journals, etc., MUST remain at the project for the duration of the CSEF.
### Display Guidelines

**Physical Exhibit:**
The dimensions of ALL project materials may not exceed 108” high, 48” wide and 30” deep and nothing can be attached to the table or wall.

**Research Notebook:**
These forms do NOT need to be in this particular order, just present in the notebook.
1. Signed CSEF Abstract
2. Signed Checklist for Adult Sponsor Form 1
3. Student Checklist Form 1A
4. Research Plan
5. Signed Approval Form 1B
6. All other pertinent Intel ISEF forms

**Photography/Images:**
Display of photographs other than that of the finalist(s) MUST have a photo release signed by the subject, and if under 18, also by the guardian of the subject.

Any photography, visual image, chart, table and/or graph is allowed if:
1. It is not deemed offensive or inappropriate (which included images/photos showing vertebrate animals/humans in surgical, necrotizing or dissection situations) by the SRC, Display & Safety Committee or CSEF.
2. It has a credit line of origin.
3. It is from the Internet, magazine, newspaper, journal, etc. and a credit line is attached.
4. It is a photograph or visual depiction of the finalist.
5. It is a photograph or visual depiction for which a signed consent form is at the project. NOTE: images used as backgrounds must also be credited.

**Items NOT Allowed to be Displayed at the Project:**
1. Awards, medals, business cards, flags, logos, CDs, DVDs, flash drives, brochures, booklets, endorsements, giveaway items and/or acknowledgements (graphic or written) unless the item(s) are an integral part of the project.
2. Postal addresses, Internet, email and/or social media addresses, QR codes, telephone and/or fax numbers of a finalist.
3. Active internet or email connections as part of the display or operating the project.
4. Prior year’s written material or visual depictions on the vertical display board (exception: the project title may mention which year the project is in)

### Safety Guidelines

**Items NOT Allowed at the Project Display:**
1. **Living organisms**, including plants
2. Soil, sand, rock, and/or waste samples, even if permanently encased in a slab of acrylic
3. Taxidermy specimens or parts
4. Preserved vertebrate or invertebrate animals
5. Human or animal **food**
6. Human or animal parts or body fluids
7. **Plant materials** (living, dead or preserved) that are in their raw, unprocessed or non-manufactured state (Exception: manufactured construction materials used in building the project or display)
8. All **chemicals** including water (projects may NOT use water in any form in a demonstration)
9. All hazardous substances or devices (i.e.: poisons, drugs, **firearms, weapons, ammunition**, reloading devices, lasers, etc.)
10. **Dry ice** or other sublimating solids
11. **Sharp items** (i.e.: syringes, needles, pipettes, knives, etc.)
12. **Flames** or highly flammable materials
13. Batteries with open-top cells
14. **Glass or glass objects** unless deemed by the Display & Safety Committee to be an integral and necessary part of the project
15. Any apparatus deemed unsafe by the Scientific Review Committee, the Display & Safety Committee or CSEF
16. **Lasers or laser pointers**

**Other Safety Restrictions:**
1. Any inadequately insulated apparatus producing extreme temperatures that may cause physical burns is not allowed.
2. Any apparatus with unshielded belts, pulleys, chains, or moving parts with tension or pinch points must be for display only.
3. Project sounds, lights, odors or any other display items must not be distracting.
4. CSEF, the Display & Safety Committee, and/or the Scientific Review Committee reserve the right to remove any project for safety reasons or to protect the integrity of the CSEF and its rules and regulations.
5. No changes, modifications or additions to projects may be made after approval by the Display & Safety Inspector and SRC.
Door Monitoring Instructions

- Position yourself just inside the entry doors to the ballroom where you have a good view of all exits.
- Every shift will have at least two people for each ballroom.
- Board of Directors members (rose ribbons) are allowed in at all times.
- Please make a trash run through the Exhibit Hall at the conclusion of each shift.
- Students are not allowed to leave with their projects until Saturday afternoon unless they have an orange Excused Slip signed by the CSEF Director.

Thursday Monitors:
- Beginning at 11:30 a.m., only judges (yellow and red ribbons) are allowed in the exhibit area.
- At 1:30 p.m. only Finalists and judges are allowed in the Exhibit Hall.

You are authorized and required to turn away people who aren’t wearing the required name badge and ribbon

Friday Monitors:
- The last shift of the day will need to help close up and collect signs. Please make sure all people are out of the Exhibit Hall. The LSC Event Planning Office will be notified to lock the doors at 5 p.m. Most of the CSEF staff will be headed to the Awards Ceremony venue before 5 p.m.

Saturday Monitors:
- Tear down may begin at 11 a.m., but don’t announce that, we will be having a celebration party with food from 11 a.m. until 12 noon, but don’t stop anyone from dismantling their project at 11 a.m.
Equine Center Parking Attendants

- Parking attendants will need the directional sign stand that points participants to the back part of the lot and the reflective safety vests.

- Shuttle buses will run between the Equine Center and the LSC as needed, but approximately on a 30 minute rotation.

- Attendants should wear the safety vests at all times.

- Dress warmly, bring folding chairs, plenty of coffee and something to read.

- The role of the attendant is to greet the attendees, direct them where to park, and help students get loaded with their projects onto the CSU buses as needed.
Exhibit Hall Set-Up Instructions

- Senior Division projects will be assigned to space in the West section of the Main Ballroom and Junior Division projects will be assigned to space in the East section of the Main Ballroom.

- Copies of the Exhibit Hall layouts indicating the number of tables needed for each row and the number of projects assigned to each row will be provided. You will need to double check that the Lory Student Center staff has set up the tables correctly and shift tables as needed.

- Each row of tables will need to be marked off with masking tape in 4’ sections for each exhibit space.

- Hangs tags will be arranged in order for each row to tape to the table edge, identifying what project goes in what 4’ exhibit space.

- There will be signs to hang at the end of each row identifying the project numbers that can be found in each row.

- Finalists requiring electricity are required to bring extension cords, but some areas may need assistance in finding the correct place to plug in at (the Exhibit Hall Set-Up Coordinator will have a plan of action to follow).

- If electrical cords cross aisle ways, carpeting will need to be obtained from Lory Student Center staff to cover them up and avoid tripping hazards. We are not allowed to tape anything down on the hardwood floor.
Finalist Check-In Instructions

- Make sure the SRC Interview list is posted on the bulletin board near the registration area.

- Individual project Finalist Packets are alphabetized by last name.

- All team project Finalist Packets are alphabetized within the same tubs as the individual project packets by the last name of the TEAM LEADER. Teams receive ONE packet only.

- A red stamp on the registration packet indicates that the Finalist(s) have a stop on their registration and must take care of it BEFORE receiving their packet. Reasons for stops include:
  - Needing to see the SRC in Room 308/310. Once the Finalist has been cleared by the SRC, they will receive an initialed copy of their Set-Up Approval Form to show in order to receive their Registration Packet. DO NOT collect these forms as they need them for their Display & Safety check.
  - Needing to pay the $40/per Finalist registration fee. Once the fee has been paid, marked it paid on the provided list. Put the registration fee payments in the cash box. There is a receipt booklet in there if the Finalist/adult asks for a receipt.

- Each Finalist receives a T-shirt and the size they requested is listed on the Registration Packet label (S, M, L or XL). Please have each student verify they have received the correct T-shirt size.

- Help the Finalist(s) find where their project can be located in the Exhibit Hall by referring to the map taped to the counter and indicate that the color of the category shown on this map matches the color of their hang tag. Identification signs will also be hung at the end of each row to help with finding projects.

- Collect Poster Art Contest entries and put them in the marked basket. They will be assigned numbers and hung up after the check-in is done.

- Collect statistical award submissions.
Judges Check-In Instructions
Grand Awards

- Judging Captains will check in by 9:15 a.m. and they will have their meeting in the balcony of the CSU Theater at 9:15 a.m.

- Other Grand Awards Judges will check in by 10 a.m. and the general Judges meeting will take place at 10 a.m. in the CSU Theater.

- Grand Awards Judges will each have a packet with their nametag, certificate, CSEF Program, CSEF pin & CSEF pen in it.

- Judges who ordered a CSEF T-shirt (not Captains) will have a reminder note on their packet that it will be available to pay for and collect from the Grand Award Judging Coordinator before 5 p.m. that day.

- Seating will be by category and division and the table tents are color coordinated with the Finalist’s hang tags for each category.

- Encourage judges to recycle their name tags at the end of the day.
Judges Check-In Instructions
Special Awards

SAO Check-In:
- Special Awards Judges' “packets” will include their organization’s judging form, a table tent with the organization’s name on it and all of the judge’s nametags (minus holders).
- Give the first appearing judge the contents of the organization’s envelope, but **KEEP THE ENVELOPE!**
- Have the judge picking up the packet sign that they have received the contents of the packet and then review the requirements for completing the judging form.
- Blank nametags will be available for last minute changes or additions to a judging team.
- There will be a few bundles of CSEF Programs available for the judges to use in identifying projects and their numbers.
- A box of CSEF pens will be available for the judges to use and keep if they so desire.
- A few copies of the Finalist’s CSEF Abstracts will be available for the judges to use during judging, these will also be available to them on-line prior to the day of judging.
- Remind judges that all results MUST be turned in by 5:30 p.m. on THURSDAY if they want to have their organization’s winners to appear in the press release and awards presented at the Awards Ceremony.
SAO Check-Out:

- As the judges pick their winner(s) and complete the judging form, they will turn in the completed contents of the judges’ packet to the special awards desk. The volunteer must check to make sure that all paperwork is completed properly. If the paperwork is satisfactory, the judge needs to sign the packet envelope and give a phone number where they can be reached in case there are questions later. Then the volunteer will put the packet aside for later collation.

- If an organization is going to send the actual award to the Finalist(s) at a later date, they must have something (a letter or certificate) that has the organization’s contact information listed to give to the winner(s) at the Awards Ceremony.

- Address lists for the Finalists will be available for the judges to collect mailing addresses of their winners from if they need them. **These lists **NUST NOT leave the room!

- Encourage judges to recycle their name tags at the end of the day.
Official Photography Instructions

- You will need to provide your own digital camera. Camera specifications should include:
  - Photo size between 900 KB and 1.2 MB
  - 4 MegaPixels or better
  - Red-eye reduction option (turned on)
  - Flash (turned on and the bigger the better)
  - Empty memory card
  - Charged batteries (bring extras with you)

- Wear comfortable clothing and shoes as you will be on your feet for a couple of hours.

- There will be a Photography Station where you will need to download the photos you have taken onto a CSEF computer and CD.

- Please feel free to take as many candid shots as you’d like – we can use those too!

- When taking the pictures, please keep the following in mind:
  - Make sure the Finalist is wearing his/her nametag and that it is facing the right way to be visible.
  - Have the hang tag that identifies the project number visible in the picture.
  - It would be nice if the entire project was in the picture, but this isn’t always possible, so just make sure the Finalist isn’t cut out.
  - Take at least two shots of each project just in case one doesn’t come out very well and review the picture before moving on to the next project.
  - Take vertical pictures so that all pictures are oriented the same direction when we go through in working on the power point presentation for the awards ceremony.
  - Please avoid cutting body parts (especially heads) out of the picture.
  - Try to get a smile out of the student!

- The process for Display & Safety and Photography will be the following:
  - Finalists will first set up their project. When that is complete, they will turn in their Set-Up Ready Form to the Display & Safety team.
  - If they are approved by Display & Safety, they will receive a Photo Ready Card that they will need to turn in at the Photography Station.
  - Photographers will be assigned to either the Junior or Senior Division and will pick up the Photo Ready Cards as they come in.
  - Once the photos are taken of the project, the photographer should place a colored dot on the hang tag in the Photography box and return the Photo Ready Card to the Photography table.
Celebration Party Instructions

- Set-up the tables available for serving the food along the south wall of the Main Ballroom by 10:30 a.m.

- Fill the plastic tubs with ice from the LSC kitchen to cool the bottles of water.

- Food will be from . . .

- Food will be served between 11 a.m. and 12 noon or until it is gone. Please limit to 1 portion, 2 cookies and 1 water per person on their first run through and then call for seconds when the line dwindles.

- All trash must be taken to the dumpster behind the LSC by CSEF volunteers.

- All servers need to wear disposable serving gloves.

- Door prizes will be announced in the respective exhibit halls beginning at 11:15 a.m.
Project Drop-Off Instructions

- There is **NO PARKING** in the Library lot drop-off zone, so parents will need to leave their student and their project and take the car to be parked elsewhere.

- Parking permits ($8 per day) are available at Parking Services on the corner of Prospect & Center in the parking garage.

- Maps will be available to direct people to the off-campus parking area at the Equine Center so they can take the shuttle in to campus.

- Maps of on-campus parking lots will be available if people wish to buy a permit.

- One or two people will need to be designated as transporters to help students get their projects to the Registration Booth and Exhibit Hall. A dolly and flatbed cart will be available for your use.

- People needing handicapped parking will need to purchase a CSU parking permit and have a Colorado handicap parking sticker or plate.
SRC Interview Instructions

- There will be a list of Finalists needing to see the Scientific Review Committee on the message board outside of the Main Ballroom near the registration area.

- There will be a copy of the Intel ISEF Rulebook available to refer to.

- Finalists needing to see the SRC about paperwork will have their registration packets marked with a STOP sign and will not have their Set-Up Ready Form in their packet (just in case they slip by the registration people).

- The SRC Receptionist and his/her assistant will have a list of Finalists needing to clear up paperwork issues and will take care of these. While checking the paperwork, if they feel there are other issues that need to be clear, they will then have an SRC member address the issue(s) with the Finalist and parent or teacher.

- Finalists needing to have an interview will need to check in with the SRC Receptionist and will be called in to the interview room in the order of arrival.

- When the Finalist(s) have satisfied all of the requirements asked of them, please initial the Set-Up Approval Form with the Finalist(s)' name on it and send them back to the Registration Booth to pick up their packet.

- A single page copier/printer will be available in the SRC room for students needing to make single page copies of forms. Multiple page copies should be sent downstairs to the FastPrint on the 1st floor of the Lory Student Center.
Tear Down Monitoring Instructions

- Monitors will be in charge of making sure tear down of projects goes smoothly and making sure all trash and lost items get picked up and deposited in the proper area.

- Make sure the registration booth is cleaned up and closed before leaving. Don’t worry about organizing items at this time – just pack everything up and we’ll worry about organizing it later.

- Clear off all tables of trash – tape, papers, etc.

- Work with LSC staff to collect banners hung for the event.
Tour Guide Instructions

- Try to become familiar with where the drop-off location for your tour(s) are ahead of time.
  - Anatomy/Physiology – Lobby outside Room W117 of the Anatomy/Zoology Building
  - National Center for Genetic Resources Preservation – Lobby of the NCGRP Building
  - Geologic History of the Front Range – Room 316 of the Natural Resources Building
  - Electron Microscopy Center – Room W13 of the Anatomy/Zoology Building
  - Entomology – Room E104 of the Engineering Building
  - Greenhouses – Outside Room 115 of Greenhouse Building on East Drive
  - Medical Mysteries – A206 & A207 of the Microbiology Building

- Check in at the CSEF Headquarters in the Registration Booth on the third floor of the Lory Student Center. If you are running late or cannot make it PLEASE call or text 970-222-4418 to alert the CSEF staff. **DO NOT send the CSEF Director an email – she does not have time to check email during the science fair.**

- Be sure to arrive at the meeting room 10-15 minutes prior to the time the tour is scheduled to leave.

- Check attendance using the sign-up sheet provided. Have people mark off that they are present and collect their tour ticket. (You do not need to keep or turn in the tour tickets once you have determined that you have the people who are signed up for the tour in attendance.)

- You may join the group on the tour (except for the Electron Microscopy tour), or you may leave them there, as they are on their own to get back to the student center or wherever they need to be next.

- A “Talking Points” sheet will be provided to you that you can use during your walk to the tour site.
Tour Ticket Pickup and Sales

➢ Tickets are being registered for from March 15 – April 1.

➢ Tickets not pre-registered for will be on sale at this time.

➢ Pre-registered tickets will be sorted by Finalist and you will need to collect the amount of money shown on the envelope.

➢ There will be a sign-up sheet for each tour that needs to have the names of the people buying the tickets so the guides have a clear picture of how many they are responsible for.

➢ Note that the time on the ticket is the departure time from the indicated room – please point out to students that they will need to be there BEFORE that departure time.

➢ Those people handing out tickets and handling sales will be in charge of deciding:
  • How to handle the flow of traffic in and out of the room.
  • How the tours should be split up by table (alphabetical, reserved vs. on-site, etc.).
  • How to divide the tasks of handing out tickets, collecting money, etc.
Volunteer Check-In Instructions

- Please familiarize yourself with the entire list of volunteer assignments, the CSEF schedule and the Lory Student Center map.

- Using the daily lists (Thursday, Friday or Saturday), check off that the volunteer has checked in for the day.

- Give the volunteer their nametag (if they don’t already have it from a previous day). These will be separated by the day the volunteer will first be working.

- Offer the volunteer a CSEF pin.

- Offer the volunteer a CSEF T-shirt – they will have names on them (people whose names are highlighted should be picking up their shirt that day).

- If the volunteer wishes to pick up their T-shirt later, make sure the shirt has their name attached and set it aside.

- Ask everyone to recycle their nametags. If the volunteer will be returning for a later shift or the next day, be sure to put the nametag into that day’s box so we can find it again.

- If a volunteer is working multiple days, please ask that they check-in each day so we know the job is being covered.

- Direct the volunteer to the room and/or person they are to report to for their job.
